And finally, please welcome...

In this puzzle, if you matched up the correct names with their parents, you would end up with a sciency pun. The names of the children are:

Mike Rowscope, Polly Murr, Elle Immense,  
Phil Trayshun, Perry Odicktable, Cath Ode, Paul Czar,  
Alec Trickle-Charges, Tess Tube.

Taking the indicated letters spell out one more  
person to welcome, MOLLY CULE.
