

TRIPPLETS

These are three-word phrases split up into groups of three letters. However, as hinted at by the title (a deliberate misspelling of TRIPPLETS), there are spurious letters in each one. When decoded, the phrases are:

AEAR NOSE THROAT
 HLUEY DEWEY LOUIE
 LIVIGHTS CAMERA ACTION
 BACION LETTUCE TOMATO
 CONTNROL ALT DELETE
 FRIENSDS ROMANS COUNTRYMEN
 FAITH HIOPE CHARITY
 VENI VIDMI VICI
 SNAP CRACOKLE POP
 LIVE LONG PNROSPER

Spurious letters are underlined. One spurious letter is in the first position of its phrase, one spurious letter is in the second position, and so on. When put in order of when they appear, it spells ALVIN SIMON, which makes the answer the third in this group: THEODORE (of the Chipmunks).
