@PeakesPuzzles

Hello DASHers! Or at least I hope there's someone who took part in DASH that has found this puzzle page as a result... Last weekend was DASH, 'Different Area Same Hunt'. It's a whole day of word and logic puzzles that takes place in lots of cities around the world. Teams in each city solve the same set of puzzles against the clock to see if they can come first - and this year I wrote one of the puzzles, 'Hands'. If you weren't able to make DASH this year, you should definitely try to make it next time. This year's puzzles will be made available to play at home in the coming weeks at [playdash.org](http://playdash.org), more information can be found there.

You can find me on Twitter, @peakespuzzles. If you enjoy this, please consider leaving a tip at [ko-fi.com/danielpeake](http://ko-fi.com/danielpeake).

Thanks! --Dan 'Slightly DASHing' Peake
